ATTENTION

June 20, 2024

Due to a subsurface collapse of a portion of the west wall, the Blue Hole is closed for swimming and diving until further notice. The City of Santa Rosa, in conjunction with expert divers and other geological consulting agencies, are working together to further assess the situation for safety and stability.

It is at this time that we ask for your understanding, cooperation and patience. Please use **only** the following online platforms to view up to date and accurate information regarding the Blue Hole closure:
